Dear Mr. Bellinger:

On behalf of the West Palm Beach VA Medical Center and Voluntary/Recreation Therapy Service, I would like to take this opportunity to express our appreciation to you and your organization for the visitation by Mayor Frankel, staff members and ROTC High School Junior Navy members for providing Holiday Gift Baskets and Ornaments to our resident in our Community Living Center.

We are enclosing copies of newspaper articles about this wonderful presentation. The patients appreciated the visit and the gifts of joy.

Again, we wish to thank you for your compassionate interest in the hospitalized veterans' welfare. We and the patients are most grateful for your support. If you need additional information or have any questions, please contact voluntary/Recreation Therapy Service at (561) 422-7373.

Sincerely,

Mary C. Phillips, MS
